Directions to The Lodge Studio

From Cirencester: drive towards Cheltenham on the 'old' road, A435. Don't turn left towards Woodmancote at the first signpost at North Cerney, but take the next left, just past Rendcomb, which is signed 'unsuitable for long vehicles'. 'The Lodge' is a bungalow with studio visible in the garden, the first (and only) house you come to, on the right hand side on the brow of the hill. Drive up to the studio and park.

From Cheltenham: our turning is signposted 'Woodmancote' and comes just before 'Rendcomb' (on the same sign), three miles after Colesbourne.

From Gloucester take the A417 up to the Air Balloon, then the A436 to Seven Springs, where you turn right into the A435 at the roundabout, then follow directions as from Cheltenham.
